VDMK-240001
April, 2026

End of Sales:VTV-9000miniR (miniR3)

Dear Valued Customer,

We would like to express our sincere appreciation for your continued support and patronage.

We regret to inform you that sales of the VTV-9000miniR (miniR3) [V9KZDPL3-2MV] will be discontinued.

This decision has been made because the major components used in this product have been announced for discontinuation, making it difficult to procure the necessary parts. As a result, we have determined that we are no longer able to continue supplying this product. We appreciate your kind understanding.

We sincerely hope for your continued support of our VTV-9000 series products.

Notes

1. Product
Product name: VTV-9000miniR-qc-2C with SSD
Model number: V9KZDPL3-2MV

2. End of Sales Date
October 30, 2026
* If the product model number does not allow you to confirm whether your product is affected, please check the serial number and contact us.

3. Maintenance Support Period
Until October 2031
We will contact you again as the above date approaches.

4. Maintenance Support

Please note that if a part requiring repair or replacement is one of the discontinued components, maintenance support may be terminated before the above support deadline.

5. Successor Product

Please consider the successor product, VTV-9000miniX (miniX1) [V9KXXPL1-4MV].

The VTV-9000miniR (miniR3) is not compatible with the target camera due to differences in the camera interface. Therefore, we kindly ask you to also consider selecting a compatible camera.

For details on migration and the latest products, please contact our sales representative.

End of Notes

Please contact ViSCO for any inquiries on this announcement.
